Hiking Mount Major

We had the opportunity to hike Mount Major on Father's Day this past June and recommend it as an excellent hike for all ages. Mount Major is 1786 feet at its summit, with gorgeous views of Lake Winnepesaukee and Belknap Range. Its an amazing view for only a 1.5 hour hike up, 3 hour round trip. The trailhead is located southwest of Route 11 between Laconia and Alton Bay (43.5193ÚN 71.2738ÚW (WG584)).

As we descended the mountain we could hear the roar of motorcycles making their way around the lake on this last day of Laconia Bike Week 2009. Two groups stayed at Lakeside Promise during Bike Week and enjoyed the peaceful location and convenient access to Laconia.

If you are interested in the dates for next year, get more information at www.LaconiaMCWeek.com.

Halloween at Gunstock Mountain

Are you a Halloween junkie? Gunstock Mountain morphs into Morbid Mountain Fridays and Saturdays during the month of October. Are you interested in a "Swamp Walk," "The Hospital of Horrors," "Nightmare Knoll," and "Carnival of Corpses" complete with legends to scare anyone interested in hallowed hayrides or mazes? Visit www.morbidmountain.com or call 603.293-4341 Ext.120 for more information.

Fryeburg Fair

For an authentic New England country fair, colorful foliage, and crisp Autumn air, head on over to the Fryeburg Fair in Fryeburg, Maine. Located just over the border from Conway, NH, the Fryeburg Fair is an annual favorite for fairgoers. If you love the fair but want to avoid the long trip home, staying at Lakeside Promise is a great alternative. The Fryeburg Fair runs October 4-11, visit www.fryeburgfair.org for more information.

Spend your Holidays at a Vacation Home

Beds are made up when you arrive and you can light the cozy fireplace with a push of a button. It doesn't get easier than that!
